HOW IT WORKS

1

SUBMIT YOUR PRESENTATION

A ppt that you wish to be transformed by our graphic designers. We will then provide an instant quote. All information is kept secure and confidential for your peace of mind.

2

WE REVIEW AND APPROVE

After receiving your content, our Graphic designers will review your order and contact you if clarification is needed. Upon approval, your presentation will be designated to a team and they will start designing your slides.

3

WE CREATE YOUR SLIDES

Our design team will submit a draft presentation for your feedback. You may review each individual slide and provide feedback via mail or skype. Our designers will then revise your order.

4

WE CREATE YOUR SLIDES

Once approved and payment has been completed, your new presentation will be ready to download and use. Go and WOW your audience.

We like to keep the process as smooth as possible. Main aim is to keep our clients relaxed **throughout the project**. It's fairly simple how the process works:

OUR REVIEWS

Prince Russel
Palma and Prince

I started the process completely overwhelmed. I just started my own law firm & needed a comprehensive branding package & Presentation. DMP were amazing. They listened to my needs (and there were many) and set out to provide an complete solution. The final result was far better than I expected. I am really blown away by the work!
